EXPERIENCE

Freelance Design

Graphic, Web, Motion, Film
November 2013 to Present

I worked directly with both big and small businesses as well as non-profit organizations covering a broad range of deliverables including logos, illustrations, websites, infographics, motion graphics, and film editing. Clients include: Purchase College, Edelman Berland, M-Star Media, No Casino in Tuxedo, Progress Tuxedo and Artwill Group.

Impulse Magazine

President, Creative Direction, Designer, Editor
September 2012 to June 2013

Evaluated and chose literature and artwork created by students. Design magazine's layout in Adobe InDesign from curated work. Represented the Impulse Magazine club at monthly student government meetings. Have an educated opinion on everything that involves Impulse magazine.

Edelman Berland

Design Internship
June 2014 to August 2014

As the only designer in the company, I would perform multiple disciplines such as motion graphics, print design, web design, web development, and presentation design for in-house colleagues and clients such as Facebook, Kahn Academy, and the NHL. These projects would get printed and distributed to Edelman Berland offices all over the world. Employment by Edelman continued through freelance projects.

Artwill Group

Production Designer
October 2011 to April 2012

Promoted from intern in January 2012 to a freelance artist. Learned the practice of production design. Spoke with clients to receive design feedback and guide them through the design process. Incorporated changes into design using mainly Adobe Photoshop and Illustrator. Finalized design for production.
